- ~CE begins at 6 pm
- ~CE is available via webinar if you are not able to attend in person

Managing Toxicology Cases as a Veterinary Technician

~Jesse Strong, DVM

Pets like to eat things that they shouldn't and learning how to manage these cases is important for any veterinary technician in clinical practice. This session will prepare the veterinary technician to handle toxicology cases, from getting a good exposure history to caring for more complicated cases in the hospital.

This CE is \$30 and
is 3 RACE
Approved Credits.
