

## OCTOBER BEL-REA CE WEBINAR

with Dr. Narda Robinson

### Envisioning new roles for Veterinary Nurses and Technicians in a scientific integrative veterinary medicine setting

3 RACE APPROVED CE CREDITS

Participants will learn ways in which veterinary nurses and technicians can serve as educators and coordinators of care in a practice environment that supports scientific integrative medicine. Treatment approaches discussed include medical acupuncture, botanical medicine, medical massage, photomedicine (e.g., laser therapy), and integrative rehabilitation). Suggested educational prerequisites for each topic will be mentioned, as well.
