# January 2024 Bel-Rea CE

## **Kidneys & Hormones & Hearts, Oh My! Anesthetic Considerations for Dentistry Patients with Co-Existing Disease with Stephanie Johnson, AAS, BS, RVT**

This CE will discuss considerations for veterinary dentistry patients with co-existing diseases. We will cover anesthetic considerations and tips for patients with cardiac disease, renal disease, endocrine disease, liver disease, and other co-morbidities that can complicate anesthesia. Specific concerns for these patients regarding periodontal disease and recovery will also be discussed.

***January 6th, 9 am - 12 pm MST***

This CE is \$30. you can register at:
