

Bel-Rea October CE Webinar

UNDERSTANDING ECG'S

with Dr. Erika Pugh, DVM

This lecture covers how to approach electrocardiogram (ECG) interpretation. We will discuss normal conduction pathways and how this translates to an ECG. We will also cover when to perform an ECG and how to systematically interpret ECGs with examples. Common arrhythmias and treatment options will also be covered

Tuesday October 8th

6 pm - 8 pm MST

2 RACE approved CE credits

If you are a current Bel-Rea student, you are eligible for a discounted registration rate of \$20. Email [Scott Newman](#) for more details.

This CE is \$30. Register at:
