

# BEL-REA VIRTUAL CE NOVEMBER 2024

## EUTHANASIA REIMAGINED

PRESENTED BY:  
REBECCA ROSE, RVT, CPEP

Euthanasia was ready for an evolution, and much has changed in the past 10 years. Experts and practitioners alike have found ways to celebrate the bond, protect patient comfort, and elevate client pre-planning and communication. And everyone is benefitting from the advancements. Has your veterinary team joined 'The Good Death Revolution'? In this session, we will highlight their 14 Essential Components of Companion Animal Euthanasia and answer your most pressing questions. It's time to look deeper into what clients want, what patients need, and how veterinary teams can find fulfillment in euthanasia work.

**SATURDAY, NOVEMBER 23RD, 9AM - 11 AM MST**

**THIS CE IS \$30. IF YOU ARE A CURRENT BEL-REA STUDENT, EMAIL SCOTT NEWMAN FOR A DISCOUNTED RATE.**
