# February 2026 Bel-Rea CE

## Kidneys & Hormones & Hearts, Oh My. Anesthetic Considerations for Dentistry Patients with Co-Existing Disease with Stephanie Johnson, CVT, VTS (Dentistry)

This CE will discuss considerations for veterinary dentistry patients with co-existing diseases. We will cover anesthetic considerations and tips for patients with cardiac disease, renal disease, endocrine disease, liver disease, and other co-morbidities that can complicate anesthesia. Specific concerns for these patients regarding periodontal disease and recovery will also be discussed.

**Saturday, February 21<sup>st</sup> 9 am - 12 pm MST**

**This CE is \$30  
If you are a current Bel-Rea student,  
email Scott Newman for a discounted rate of \$20.**
